MEMORANDUM OPINION

PER CURIAM.

We conclude after the submission of the briefs that no reversible error of law appears in this case. The findings of fact of the trial court are supported by substantial competent evidence, the conclusions of law of the trial court adequately explain the decision, and the trial court did not abuse its discretion.

We affirm under Rule 7.042(c), (e), and (f) (2005 Kan. Ct. R. Annot. 53).
